

古物古蹟辦事處同時亦邀請香港中文大學人類學系、香港理工大學土木及結構工程學系、中國科學院地質與地球物理研究所等研究機構進行多項研究計劃，從不同的學術角度探討史前環境變遷與先民的生活面貌。

The Department of Anthropology of the Chinese University of Hong Kong, the Department of Civil and Structural Engineering of the Hong Kong Polytechnic University and the Institute of Geology and Geophysics of the Chinese Academy of Sciences were also invited to carry out concurrent research projects to decipher the prehistoric environmental changes and the way of living of the early inhabitants from different perspectives.
